### PROFESSIONAL LICENSURES

---

K-12 Administrative License

August 2018

MN Teaching Licenses: 9-12 Physics, 5-8 General Science

May 2015

### EDUCATION

---

**Doctorate in Educational Leadership**

May 2021

Minnesota State University Moorhead, *Beginning Fall 2018*

**Specialist in Educational Leadership and K-12 Administrative  
Licensure**

August 2018

Minnesota State University Moorhead, Moorhead, MN | GPA: 3.95

**Master of Arts in Teaching (MAT)**

July 2015

Minnesota State University Mankato, Mankato, MN | GPA: 3.77

**Bachelor of Science in Physics**, Emphasis in Medical Physics

May 2012

Minnesota State University Moorhead, Moorhead, MN | GPA: 3.33

### TEACHING EXPERIENCE

---

**Physics Teacher**, Shakopee High School & Shakopee East Jr. High,  
Shakopee, MN

August 2015- Present

- Instructed high school chemistry and physics (15-16 school year) and 9<sup>th</sup> grade physics and AP Physics 1 (16-17 and 17-18 school years, and beyond)
- Create a classroom environment that fosters student learning and personal growth
- Provide content instruction to all students focused heavily in guided release, engagement strategies, differentiation and providing authentic learning experiences to students.
- Collaborate with a PLC to identify learning targets, create common assessments and rubrics, and analyze student assessment data to inform further instruction
- Support traditionally underrepresented students in the classroom through use of AVID strategies

**Teacher Candidate**, Eagle Ridge Junior High, Savage, MN

March- May 2015

- Instructed 180 students in 7<sup>th</sup> grade Life Science and 8<sup>th</sup> grade Physical & Earth Science
- Integrated technology into lessons to engage learners, including use of Chromebooks, Smart Boards, NearPod, and classroom website
- Demonstrated effective classroom management techniques and clear classroom expectations
- Utilized PBIS to create a positive and respectful school and classroom environment

**Tutor**, MathAdvantage Tutoring Center, Eagan, MN

2013- 2015

- Provided math and physics tutoring for students in pre-algebra through AP Calculus, AP Physics, and college calculus-based physics
- Tutored one-on-one, as well as small group tutoring with sizes ranging from 5 to 15 students
- Prepared lesson notes and take-away materials for students, and communicated with parents in-office and via email regarding student comprehension and performance

**Teacher Candidate**, Chaska High School, Chaska MN

January- March 2015

- Taught 150 students in 9<sup>th</sup> grade EL Physics, Chemistry and AP Physics 1
- Co-taught and co-planned EL Physics course with an EL Instructor
- Learned and implemented SIOP model to assist students in language and content acquisition
- Provide modifications and teaching strategies for a wide range of learners, including English Language Learners, students with IEPs and gifted learners

---

## EDUCATIONAL LEADERSHIP

---

### **High School Building Leadership Team (BLT)** October 2017- Present

- Listened to teacher comments and concerns regarding school culture and climate
- Planned topics and presentations for staff-wide professional development
- Acted as a liaison between classroom teachers and staff and building administration

### **Curriculum Articulation Committee** September 2015- Present

- Served on the Engineering & Manufacturing articulation team (15-16 and 16-17 school year) and the Secondary Science articulation team (17-18 school year)
- Facilitate communication between building staff and district administrative leadership regarding curriculum and vision for core and elective courses
- Revise and develop courses' curriculum maps, scope and sequence and prepare documentation school board approval and future teacher use
- Prepare course budgets, including materials and curriculum writing time costs to be approved by the Teaching & Learning Department and school board

### **Head Coach**, Shakopee Girls' Swim & Dive August 2016- Present

- Responsible for all aspects of the swim and dive program, including overseeing 3 assistant coaches, recruiting participants, managing a roster of 55+ athletes, and all in-season training
- Communicate with parents, administration, activities office, and pool maintenance on a daily basis to ensure all stakeholders are receiving clear and accurate information
- Plan and coordinate all aspects of large meets (200 or more athletes), including physical seating and arrangement (set-up and tear-down), technical timing aspects, concessions, first aid and emergency action planning
- Work closely with Booster Club to fundraise, review budget, and determine items for purchase most beneficial to the program and its participants.

### **Mentor Teacher**, Shakopee Public Schools August 2016- Present

- Mentor new physics educators to the district through an induction week, and weekly meetings throughout the school year
- Retain talented staff by creating a welcoming culture and providing support and access to building, district, and instructional resources

---

## EMPLOYMENT

---

### **Practice Manager**, Midwest Facial Plastic Surgery, Woodbury, MN May 2012- December 2014

- Managed team of aestheticians and front desk, executed orientation and training of new staff
- Developed promotions, sales, and events; created marketing copy and website to enhance practice
- Prepared financials and forecasting data and presented regularly to physician partners

### **Radiation Physics Intern**, Roger Maris Cancer Center, Fargo, ND 2011-May 2012

### **Engineering Intern**, KEB America, Shakopee, MN Summer 2011

---

## RESEARCH AND PRESENTATIONS

---

Two presentations at the **American Chemical Society National Meeting and Convention**,

Three presentations at the **MSUM Student Academic Conference**
