REPEATED COURSES

All courses attempted by a student appear on the record including repeated courses; the higher grade is calculated in the cumulative GPA. An asterisk (*) indicates that a course has been repeated.

CREDIT FOR EXPERIMENTAL LEARNING (CEL)

A course title followed by CEL (formerly CLE) indicates credit for life.

PRIOR LEARNING ASSESSMENT (PLA)

Prior Learning Assessment followed by a course indicates that the student completed a formal academic process and was awarded credit in that subject area.

CONTINUING EDUCATION UNITS (CEU)

CEU's are offered for professional training opportunities only and do not apply towards a degree program. CEU's are printed on separate transcripts.

CONTINUOUS ENROLLMENT

Courses labeled BR100/GR100 signify continuous enrollment to maintain active student status. These courses are not credited towards a degree or included in the cumulative GPA.

STUDY ABROAD AFFILIATED PROGRAMS

Students may study abroad through approved affiliated programs and the courses may be listed on the transcript as Saint Mary's courses. The department codes which identify specific programs are CC, CIMB, FLOR, HC, LIPC, MONT, MX and SAI.

ACADEMIC COOPERATION & CONSORTIUM AGREEMENTS

Saint Mary's University has cooperative agreements with other universities. Courses taken elsewhere are indicated on the transcript as WSU for Winona State University or CONS for consortium.

ENGLISH AS A SECOND LANGUAGE PROGRAM: DE LA SALLE LANGUAGE INSTITUTE

The De La Salle Language Institute on the Winona campus is an intensive educational experience for students from non-English speaking countries. Courses have catalog numbers prefixed by ESL (formerly DL). Starting Spring 2003 and ending in Spring 2007, up to 26 credits of 100+ level courses were applied towards an undergraduate degree for matriculating students if the grade earned was a C or above.

JAMAICA

Saint Mary's University, in collaboration with the Catholic College of Mandeville, Williamsfield, Manchester, Jamaica, provides the Master of Education in Teaching and Learning in Jamaica.

MARYKNOLL INSTITUTE OF AFRICAN STUDIES

Saint Mary's University, in collaboration with the Maryknoll Institution of African Studies, offers unique, transformational, graduate courses in African Studies leading to a Master of Arts (MA) in African Studies or Master of African Studies (MAS). CHRIST THE TEACHER INSTITUTE FOR EDUCATION

Saint Mary's University through Christ the Teacher Institute for Education (CTIE), provides course work leading to a Diploma in Education, a Bachelor of Science in Education (through December 2004), and a Bachelor of Education (since May 2005). All courses offered at CTIE have a C prefix to the department code and the university code is CTC. The diploma/degree dates are listed using U.S. standards of mm/dd/yy. To prevent age discrimination, only the month and day of the birth date print on the transcripts.

PROGRAM FOR ADVANCED COLLEGE CREDIT (PACC)

High school students at participating high schools have the opportunity to take courses through Saint Mary's University as part of a dual enrollment option. The courses are taught in the student's own high school by approved adjunct instructors of Saint Mary's University. Instructors follow approved syllabi, texts and assessment instruments that measure specific course learning outcomes and are monitored by full-time Saint Mary's University faculty members. The university code is PACC.
