Greg Vandal  
New London-Spicer School Board Members  
101 4th Avenue SW  
New London, MN 56237

Dear Greg Vandal,

I am applying for the vacant Superintendent position with New London-Spicer School District. I was made aware of your open position through MASA Jobsite Online listings. New London-Spicer School District has a reputation for success. This success is my main reason for applying. I believe I can continue their tradition of excellence in many areas. My licenses and willingness to learn and adapt quickly make me a great candidate for your vacancy.

From 2010 until now I have been working, learning, and excelling in many public school education areas. I currently teach business education courses as well as serve as the athletic director for Moose Lake Community School. In athletics, for Moose Lake-Willow River I am the head track & field coach and assistant football coach. I lead students in classroom instruction. I lead head coaches to ensure quality athletic programs are being sustained. I lead my assistant coaches for track and field. I use hard work and a high level of integrity while working to ensure others want to do their best around me. These leadership experiences have allowed me to grow and learn as a future school leader.

While teaching, coaching and directing athletics I have expanded my education in school leadership. I have a masters degree in Educational Leadership which I received from Minnesota State University, Moorhead. After achieving my master's degree I continued my education to allow me to obtain licensure in K-12 Principal, District Superintendent, and Community Education.

The combination of my past work experiences as well as my educational experiences, qualify me as a great candidate. I also believe my ability to quickly learn new job duties and excel in multiple positions, better qualifies me for this very diverse position. My history of success in many areas will drive me to be a successful leader for your district and community. I would enjoy the opportunity to interview for this position. In person, I can better explain my qualifications and the skills I possess. I would like the opportunity to serve your community and be the next New London-Spicer School District Superintendent.

Sincerely,

Anthony Andres
