To Whom It May Concern:

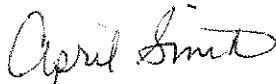

I am writing this as a letter on behalf of Mr. David Kosmatka. Mr. Kosmatka is currently employed with our district as a Jr. High Band instructor. This is my second year as his supervising principal. I have had the privilege of observing Mr. Kosmatka deliver high quality instruction for students. His character and work ethic exceed expectations. Mr. Kosmatka demonstrates confidence in the management of our band program. He currently organizes beginner band for 5th grade students, full band for 6th grade students, and full band for 7th/8th students. In addition, Mr. Kosmatka provides sectional lessons to groups each day.

Mr. Kosmatka goes above and beyond to develop his profession and improve as an educator. He regularly meets with the band/choir parent booster club. He has devoted several years to directing the city band. Mr. Kosmatka has also collaborated with the high school band program to assist the transition of our students from Jr. High. Furthermore, he assists in many other educator duties within our building which include study hall supervision, PARCC test administration, and in-house substitution.

In addition to being a confident educator in our building, Mr. Kosmatka has demonstrated his care for the students by offering to assist with academic studies and meet the social needs of his students. He has been observed repairing instruments for students at no charge, assisting disadvantaged students locate wardrobe for contest, and loaning his personal instruments to ensure all students have an opportunity to learn.

It is my pleasure to recommend Mr. Kosmatka for any teaching position you may have available. We would be sorry to lose him as an educator in our district. However, I understand that Mr. Kosmatka has family priorities that he wishes to attend to. Please contact me if you have any further questions at (618)-842-7900 or asmith@fairfieldcolts.com.

Sincerely,

April Smith
