To Whom It May Concern:

I highly recommend Christina Zimmerman as a candidate for the teaching position at your school. As lead teacher at Bethesda All Stars and previously as the Education Coordinator at Bethesda Lutheran Church, I have had the pleasure of working with and observing Christina for the past four years. She is a dedicated, organized teacher who develops inspiring relationships with her students.

Christina has been determined to develop her skills as a teacher. She welcomes any opportunity for professional development and works hard to accomplish her goals, setting an ideal example for her students to become lifelong learners.

Christina has a wonderful rapport with people of all ages, especially children. Her teaching goes beyond content to help learners have a conceptual understanding of the material. Her ability to connect with her students and her talent at teaching simple concepts, as well as more advanced topics, are both truly superior. She easily adapts her teaching to fit the needs and abilities of her students. Christina has worked with many children with special needs and quickly discovers the best approach each student needs to be successful in her classroom. She also has excellent written and verbal communication skills with both parents and teachers.

Christina accomplishes all her tasks with great initiative and with a positive attitude. I recommend Christina to you without reservation. If you have any further questions about Christina, please do not hesitate to contact me.

Sincerely,

Clarine E Nelson
