"The mission of the Ada-Borup School District is to educate and prepare all students for a successful tomorrow through academics, activities, arts and attitude."

December 17th, 2018

To Whom It May Concern,

It is with great pleasure that I am writing this reference letter for Dr. Shawn Yates. I have worked with Dr. Yates for the past 3 years as an Ada-Borup School Board Member. In this short time he has crafted a positive environment in our district and helped expansion through the negotiation and completion of a Tuition Agreement with a neighboring district. Dr. Yates cares for students and is always expanding his learning and encourages the board to do the same. I have attended multiple Conferences through MREA and MSBA with Dr. Yates. He has helped us be financially stable and worked to procure over half a million dollars in grants. He helped us work towards new communication with our web site and app development this past year and is always an encouraging voice in the community. He also helped us complete a building addition using current funds while still maintaining a healthy fund balance. It has been a pleasure working with Dr. Yates and I see great things in his future.

Thank you,

Dena K. Bishop

This institution is an equal opportunity provider and employer.
