Providing A World-Class Education

February 25, 2020

Dear Sir or Madam:

I am writing to recommend Tami Nelson for employment with your school district. I have had the pleasure of serving as their curriculum supervisor for five years. During that time, Tami has proven to be an effective committed educator who is committed to the success of all children.

Tami has extensive knowledge of effective instructional practices in teaching, learning and music education. She has demonstrated this knowledge both in her work as a classroom teacher and as a private instructor and performer in the larger musical community. She has built effective working relationships with parents, students and teachers and has drawn upon these connections to support significant and consistent learning in her classroom each year.

I believe your arts program would benefit from Tami's knowledge and skills. Please feel free to contact me if you have any additional questions.

Sincerely,

Ed Stephenson
