Dear Administrator,

It is with pleasure that I recommend Mr. David Kosmatka as a candidate for instrumental or vocal music in your school district. I have worked with him for four years and have respect for the job he has accomplished with all grade levels of students. Dave worked as a general music teacher for Kindergarten through fifth grades and choir teacher during his first year in the Fairfield Public School District. In the last three years, he has taught instrumental music to Fifth through Eighth grades and Sixth Grade Choir. At each grade level, Mr. Kosmatka as performed admirably. He understands and is able to teach music theory. His students read music, know pitch, tone, and rhythm after completion of his class.

When hired, David was directed to improve the rigor of music and the quality of singing or playing. He has accomplished those expectations. Despite a relatively small number of students in the band, they play complicated music well. Dave has them perform often at sporting events, parades, competitions, and concerts. Improvement throughout the school year is quite noticeable.

Mr. Kosmatka is quite willing to adjust schedules, work for the betterment of the school, and is willing to lend a hand whenever needed. He works well with the Band Boosters and his fundraising efforts are exceptional.

It is without reservation that I can recommend Mr. Kosmatka as a music instructor in your district. If you have any questions, please contact me at (618) 842-2679.

Sincerely,

Bill Wrenn
