

OSKALOOSA MIDDLE SCHOOL
Oskaloosa, Iowa

March 1, 2018

To Whom It May Concern,

I have worked with Janna for the past three years at OMS. It is a pleasure to write this letter about someone who has such personal integrity, and who has been a very reliable colleague and friend. We have both worked in the Oskaloosa School District as TAG teachers. I am the TAG teacher at the Oskaloosa Middle School and Janna is at the high school. We have been able to meet and collaborate at least monthly to plan and coordinate instruction and enrichment.

Janna is very responsible and is always prepared. She always gives her best for her students and is conscientious about her work. Janna has enthusiasm for her teaching and brings this positive energy to her classroom and our collaborative meetings. Janna has very good classroom management skills and classes are always on task and focused. She has excellent rapport with students and cares about their learning.

I would recommend Janna for any teaching position for which she has applied. She demonstrates strong teaching skills, good rapport with students, good classroom management, and has excellent working relationships with staff.

Please feel free to contact me if you have any questions. I appreciate being able to help Janna in continuing her teaching career.

Sincerely,

Molly McCaulley, OMS TAG
Oskaloosa Middle School
