To Whom It May Concern:

I have had the joy and satisfaction of working successfully with Brianna Kappers for the past four years at Riverview Middle School in Plymouth, WI. In my capacity as Literacy Coach, I've personally witnessed her cooperative spirit, professional attitude, and caring disposition.

Bri has the ability to adjust her instruction from hour to hour in order to meet the needs of students within her classes. She has taken the time to get to know her students on a personal level and has been able to create lasting relationships and rapport within her classroom. She also has excellent written and verbal communication skills with both parents and teachers.

Bri has a passion for teaching and working with students. She has an ability to create enduring relationships with students and staff, in turn, creating a positive learning and working environment. Her willingness to try something new, reflect, receive constructive criticism, and make changes for the better is beneficial to the school setting. She accomplishes all these tasks with great initiative and with a positive attitude. Bri is dedicated to providing the best instruction possible for her students.

In summary, Bri displays the qualities that make a teacher successful. She is dependable, motivated, and is in tune with the needs of her students. She works well with colleagues and administration and is able to learn from those around her. I highly recommend her for a teaching position.

Sincerely,
