To whom it may concern:

I am writing a letter of recommendation for Christina Zimmerman. I have known her on a personal level for over 20 years. In her early teens I had the opportunity to supervise her during youth activities, and watched her grow in confidence and public speaking ability. As a young woman, Christina continued her ability to learn and grow. When placed in a difficult position, Christina has the tenacity to figure out the best way to resolve the issue.

She is positive and has been a mentor to many young people, both during her time at church, while in Job's Daughters and now as an adult. Christina has always followed through with her tasks, and is willing to offer and accept criticism, knowing that is where growth occurs.

If you have any questions, please feel free to contact me at either the address listed below, or at my e-mail: [charder@fdltcc.edu](mailto:charder@fdltcc.edu).

Thank you for your time.

Cordially,
