To Whom It May Concern:

I am pleased to write this letter in recommendation of Mr. David Kosmatka. I have known David personally for nearly ten years and have worked with Mr. Kosmatka professionally throughout those years.

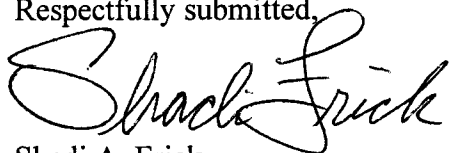

Mr. Kosmatka is a highly qualified music educator who motivates students to be their absolute best. As the director of instrumental music at Carbondale Middle School, in Carbondale, Illinois, I have hired Mr. Kosmatka as a music coach, woodwind instructor, and marching caption head for my middle school band. He has worked at my school's music camps, and has taught sectional lessons.

In my opinion, Mr. Kosmatka consistently encourages self-discipline and excellence in music performance. He also presents an atmosphere that makes learning music fun. I have always been impressed with the positive results he has helped my students achieve. I feel he would be a very effective music educator for your district.

I am certain you will find David Kosmatka to be a fine music educator and colleague if he joins the faculty of your school. I urge your consideration of him for your teaching position.

If I can provide further information of Mr. Kosmatka, you can reach me by home phone at 618-549-2607, or by email at shadifrick@yahoo.com.

Respectfully submitted,

Shadi A. Frick

Director of Instrumental Music

Carbondale Middle School
